## INTERNSHIP EXPERIENCE

### Web Developer

#### Intern at Webshopify

📅 07/2023 - 09/2023 📍 Chennai

#### Role Description

- Acquired expertise in WordPress development, AWS infrastructure management, and other relevant technologies. Completed hands-on projects to enhance proficiency and expand technical skill set.
- Gained valuable insights through active involvement in client project collaboration.

## PROJECTS

### E-Commerce Website (TechStack: HTML, CSS, JS, Bootstrap, Firebase)

- Create a dynamic Ecommerce website using HTML, CSS, and JavaScript for the frontend, integrated with Firebase for seamless authentication, real-time database management, and secure transactions.

### A2Z Bazaar-Internship Project (TechStack: AWS-EC2, AWS-RDS, Wordpress)

- A2Z Bazaar-Internship Project leverages WordPress, AWS-EC2, AWS-RDS, SQL Workbench, and Cloudflare to create an efficient online marketplace. Streamlining e-commerce processes, it ensures secure, scalable, and reliable operations for a seamless shopping experience.
